

**UNIVERSITY OF OREGON
PHOTOGRAPHY SERVICES
ATTACHMENT E**

1. Contractor will provide photographic services to University, which could include formal portraits, candid photographs of classes, campus scenes, events for historic documentation, or formal graduation photos for use by University as further detailed in the Statement of Work.
2. Contractor will be responsible for obtaining suitable model releases and will indemnify and hold harmless University with respect to any claims related to Contractor's failure to obtain suitable releases or the content thereof.
3. All photographic work, including but not limited to negatives, transparencies, and digital files, will be delivered to University's Design and Editing Services office no later than six (6) months from end of the Contract. Contractor may retain one set of duplicate media for use to the extent authorized under Paragraph 4 below.
4. University may grant to Contractor a license to use the images that result from this Contract in University's sole discretion, by separate agreement outlining the terms and conditions of such use, provided Contractor obtains suitable releases permitting such uses.
