

**UNIVERSITY OF OREGON
PHOTOGRAPHY AND VIDEOGRAPHY SERVICES
ATTACHMENT E**

1. Contractor will provide photography and/or videography services to University, which could include formal portraits, candid photographs or video of classes, campus scenes, events, historic documentation, formal graduation photos and videos, or other media recordings for use by University as further detailed in the Statement of Work.
2. Contractor will be responsible for obtaining suitable model releases and will indemnify and hold harmless University with respect to any claims related to Contractor's failure to obtain suitable releases or the content thereof.
3. All photography and/or videography work, including but not limited to negatives, transparencies, digital files or other media are considered deliverables under this Contract. Contractor will provide these deliverables upon request by University.
4. University may grant to Contractor a license to use the images or media that result from this Contract in University's sole discretion, by separate agreement outlining the terms and conditions of such use, provided Contractor obtains suitable releases permitting such uses.
