

You may have heard that Oregon Procurement Information Network (ORPIN) was replaced this summer. The new system is called [OregonBuys](#). Since this is where State Price Agreements and Contracts live, you may want to know how to search for them in the new system. The following instructions do not require you to log-in, however, the search results will pop up faster if you *are* logged in.

1. On the home page, there is a search bar at the top. On the drop-down box, select 'Blanket' to search for State Contracts and Price Agreements. Type the number or keyword in and hit enter.

2. It took **SEVERAL** moments for the list to load, but then it popped right up.

A screenshot of the OregonBuys search results page. The page shows a search bar with '9499' entered and a dropdown menu set to 'Blankets'. Below the search bar, there is a table with one result. The table has columns for Contract / Blanket #, Bid #, Description, Vendor, Type Code, Dollars Spent to Date, Organization, Status, Begin Date, and End Date. The result for bid 9499 is for 'Universal Restaurant Equipment and related Services (Mandatory)' by 'Curtis Restaurant Equipment' for the 'Department of Administrative Services'. The status is '3PS - Sent' and the dates are '04/28/2020' to '04/28/2022'. The table is paginated to show '1 of 1' results.

Contract / Blanket #	Bid #	Description	Vendor	Type Code	Dollars Spent to Date	Organization	Status	Begin Date	End Date
9499		Universal Restaurant Equipment and related Services (Mandatory)	Curtis Restaurant Equipment		\$0.00	Department of Administrative Services	3PS - Sent	04/28/2020	04/28/2022

3. If you click the Contract/Blanket #, it will open for you to access the documents.
